

JURPRIVAT

Your comprehensive legal protection for all areas of life

What would you do ...

if after a car accident, the other party's liability insurance refuses to pay?

if for your apartment the additional costs bill is incorrect or if in the apartment defects occur?

if your driving license is threatened because of an overlooked stop light or speeding offence?

if you are suddenly faced with an unfair dismissal in your job?

if it becomes necessary to file a lawsuit before the Finance Court, because e.g. advertising costs are not approved?

if you receive an incorrect decision from a public authority or the statutory pension insurance scheme?

if flight delays or deficiencies arise on holiday trips?

Being right and getting your rights!

It's good to be able to rely on a strong partner who can support you legally, who knows the way through the legal jungle and takes over your cost risk.

The JURPRIVAT legal protection package from the specialist KS / AUXILIA gives you security and maximum insurance protection for a minimal price.

Some of our special services:

- six components in one low-cost product
- family members (5 generations) are coinsured
- Worldwide and unlimited insurance sum
- Extensive internet legal protection
- Worldwide insurance protection on holiday or business trips, without time limit
- Extended advisory legal protection e.g. in the case of inheritance disputes
- Tax, social and administrative legal protection, including appeal or opposition proceedings in pre-trial stage in the private domain before German authorities
- Parking and stopping violations if there is a risk of penalty points from the German Federal Office for Motor Traffic

Premium service – without deductible amount

- Legal advice by telephone from independent lawyers – on any legal question, around the clock.
- Recommendation of specialized lawyers
- Online advisory service with the possibility of document upload
- Mediation by telephone for fast, out-of-court resolution of disputes
- Customer portal with carefully checked model contracts
- Online generator for durable powers of attorney for health care, living wills and health care proxies, as well as the defrayal of the registration fees for the central register of durable powers of attorney of the German National Association of Notaries
- Update service in case new product-generation is introduced

To use the online advisory service and the telephone mediation, you must be insured with us for the legal protection case.

We've got you safely covered!

We pay the lawyer's fees and the court costs incurred, e.g. costs for experts or advance payments to witnesses:

-  in the private domain.
-  in the professional domain.
-  in traffic.
-  for rented, self-inhabited flats and single-family houses in Germany.
-  if you are accused of a willfully committed criminal offence.
-  for future changes in your life circumstances – without waiting times.

A self-employed secondary occupation can be insured through Kleinunternehmer-Rechtsschutz. Rented and leased property can also be included in the insurance protection.

**And all this for just almost
€ 20 a month or € 235 a year**

(including additional services for you as a road user)
